Parking and access is incredibly well catered for with two separate access driveways both leading to covered under home car parking for at least two vehicles as well as two off-street visitor car parks.

Only 15 minutes drive north of Port Douglas and moments to the township of Mossman is this stunning home. The current owners open their doors from time to time to bed and breakfast guests and enjoy sharing their home with others - this being the case all permits and approvals exist should you wish to continue to do the same - however, importantly the property is being sold simply as a home and would suit any family, large, or small.
