### An Absolute Ripper of a Unit!!!

The Owners have given us two (2) weeks to find a Buyer by the 1st of July or they have indicated they will put tenants in. If you are looking for a residence then you must contact us and inspect ASAP.

Not very often does a unit offering so much become available at this price.

Starting inside, there are two sizable air-conditioned bedrooms both with built-in wardrobes, a large open lounge room and a full sized kitchen. There is plenty of natural light being an end unit and you are afforded a great rural aspect with mountains beyond. Just freshly painted with new ceiling fans installed in the kitchen and lounge-room as well as a house sized air-conditioner in the living area.

On entrance is a covered carport which ideally leads to both the front door and the massive covered outdoor patio area...it is here where you will spend most of your time enjoying the breezes, privacy and quiet that this location offers.

If you have a pet or like a private garden then you will appreciate the side and wrap around rear yard, fully fenced with a gate to the front and a door
