THIS IS THE ONE! PRICE SLASHED BY \$25K

What a cracking opportunity right here on Endeavour Street....or was that Egret Close? Having an enviable double street frontage and access, this property offers so much more than the average home on the more common tiny block....

This stunningly different home is perched upon a massive 1011m2 allotment that runs right through between two of Reef Parks favourite streets, there is room for a shed, an extra carport for the boat or simply enjoy the expansive tropical garden.

From the street you are greeted by a spectacular tinted glass atrium that allows an abundance of natural light to flood the living areas. You have probably driven past and wondered what was inside....as the property has never been offered previously this is your chance to find out, and you won't be disappointed.

Once inside the tiled floors draw you eye to a huge multifunctional living, dining and kitchen. The living area is flanked by not one, but two outdoor areas that act as sun traps for your enjoyment both in the morning and afternoon....spoilt for choice.
