6 Crawford Street, Mossman

Cute and Cuddly Queenslander

Is there a better Queenslander available in Mossman right now? I don't believe so! This property has everything that you could hope for and more... Currently let the property will pay for itself until you move in or..continue to lease and reap the rewards for as long as you see fit.

From the time you enter this three bedroom cottage there is a real sense of warmth and homeliness, the kind you felt growing up, something that is often missing from the concrete boxes of today.

As you venture into the living area and through to the very open kitchen gliding across the prominent polished timber floor boards you are greeted by the huge under cover deck that overlooks the newly landscaped gardens. The large master bedroom has ample storage by way of the built in robe, there is a split system air conditioner and direct access to the bathroom, thus ticking all of the boxes!

Situated in a cul de sac and without a rear neighbour that little bit of peace and quiet that we all strive for can be found here, and if you have children the local schools and all amenities are within a mere stumble.

The vendor's situation has changed and regretfully the property has to be sold, if you are in the market for something that is neat as a pin, has nothing more to be done, is awash with character then an inspection should be booked. This property has it all!.well almost, it's just missing YOU!
