Villa 127 Sheraton Mirage Resort St, Port Douglas

Seriously Rare... One of Only a Select Few

This two bedroom villa is east facing and enjoys a very rare feature being one of only two in the select group. Unlike most other two bedroom Mirage villas, being in a group of only two allows the addition of side windows to the dining area and therefore provides loads of natural light and a garden outlook. It also means you have only one immediate neighbour.

Villa 127 awaits, the perfect tropical getaway set amongst incredible manicured garden surrounds. Whether you desire a villa for your own personal retreat, to share with family and friends or to holiday let... the options are all there. The position is perfectly quiet and ideally close to the main resort and the beach.

Access to the villas pool is almost directly out the front of villa 127.

Furbished with vibrant and quality furnishings, the relaxed feeling of this villa is second to none. In recent years the owners have renovated the kitchen and it forms a great start towards further changes and renovations you may wish to make.

Both large and spacious the total area of the property is 216m². The villa
