HUGE PRIVATE YARD.....RIGHT IN THE THICK OF THE ACTION

That's right, this spacious one bedroom ground floor apartment has a huge private yard! Location wise this is just what the doctor ordered... only a minutes' amble from the action on Macrossan Street and the azure waters of Fourmile Beach.

The property has recently undergone a facelift internally and is looking pretty as a picture...and you won't believe how roomy and comfortable it is!

Once inside your private yard you are greeted by a large undercover patio and entry to the apartment itself via sliding glass door. The open plan and tastefully decorated lounge/dining and full kitchen welcome you home, there is a real sense of space not often afforded in a one bedroom apartment.

Moving along you find the huge bedroom, completed with air conditioning and full built in robe...

The adjoining bathroom and laundry complete the very functional floor plan. If you are looking for a centrally located, private property, where you are able to reside full time with ultra-low Body Corporate fees (below \$3000)
