

Mirage Villa 101, Bougainvillea Way East, Port Douglas

Villa 101 @ the Mirage Resort, Port Douglas

This is the prime position within the incredible grounds of the Mirage Resort.

The owners were provided the very first pick of all premium villas by Christopher Skase and they have owned this magnificent villa ever since construction - 30 incredible years ago.

A key position being both absolute beachfront and being the closest villa to the northern side iconic lagoon pools. It is one of just two four bedroom villas located in this select enclave and the first time one has ever been listed for sale – opportunities like this are extremely rare.

Those who are familiar with the villas will appreciate the location and those new to discovering the Mirage villas will love it.
