Villa 1, 60 Mudlo Street, Port Douglas

ONE OF A KIND PORT DOUGLAS PROPERTY.

It's a well known fact in real estate that it is all about location, location and location... and Villa 1 at Portland Green is in a perfect one!

There are a number of unique features that make this property stand out, firstly the property is a freestanding house with no adjoining walls, secondly it is within easy walking distance of the town centre and almost on the beach, next is the full sized double garage and last but not least body corporate fees that most other complexes could only dream of which the property enjoys double voting rights...

When I said it was the size of a house I was not joking, this property is set over two levels and consists of 3 big bedrooms, well equipped kitchen, two bathrooms a great lounge and boasts it's very own private fenced yard with a pool!

A huge master bedroom is complete with a good sized walk in robe and en suite bathroom... a property like this is rarer than hen's teeth! You have all of the features of a suburban house but with the advantage of the pool and garden being taken care of by the Body Corporate.
