Dive into an Awesome Swim-out Apartment

Enjoying direct access to one of the six lagoon pools, there is simply no better position than the sun drenched southern side of the complex and being able to accommodate up to six guests there is room for everyone on your next visit.

Swim-out apartments are the most highly regarded and sought after by both holiday makers and owners at Silkari Lagoons. With very few ever coming to the market, these prestigious properties are snapped up quickly, this will be no exception.

Recent furniture upgrades leaves you nothing to do as the new owner, also the electricity bill is a thing of the past at Lagoons, with energy consumption included in the reasonable Body Corporate fees.

Ideally located adjacent to perhaps the best stretch of Four Mile Beach, you are with a short walk to a park and playground area for the families and that wonderful golden sand.

The proximity to local restaurants and amenities is excellent, not only is there a fully licensed restaurant right next door, a licensed café around just around the corner, there is the Fourmile Tavern and the Beach Shack both only a short amble away.
