61 Reef St, Port Douglas

Superb Beachside Location - Highly Motivated Seller!

Recent contract couldn't proceed. Reduced by a massive \$100,000 to achieve a result. This is without doubt one of the rarest offerings to be found in recent years. Sold only once since built, this home demands attention. The last time traded being 2001.

A corner site of fantastic proportions measuring 854m² with dual street access from Reef Street and Trochus Close. A location that caters for a very light amount of local traffic only.

Four Mile beach is as close you can get with two beach access tracks on either side of the front door. You can lie in bed and hear the Coral Sea lapping the beach.

A home truly built for the tropics with louvered windows to harness the coastal breezes, large open-plan living areas flowing out to the patio - perfectly blending the indoor out outdoors.
